

**IS NOW A PART OF MINUTEMAN PRESS OF NORTH FULTON!**

Hello Everyone-

I wanted to let you know that Print On/Clockwork Graphics is now a part of Minuteman Press of Roswell. The merger was made with the idea of being able to continue to give you the quality service and finished product that we have given you in the past, but in addition we hope to be able to offer more products to you as well as continued excellent pricing.

I will still be with the company so you should not see anything different than what I have done for you in the past. For now, you can still use the old email address ([me@printonplus.com](mailto:me@printonplus.com)) to send in your orders, but you can also start using the new one which is **[request@minutemanpress.com](mailto:request@minutemanpress.com)**. The idea is to have everyone switch over to the new email in the next few months.

We will be joining Minuteman Press of Roswell at their location in Roswell, Georgia which is not too far from our old location. The new address is 2500 Old Alabama Road, Suite 17, Roswell, GA 30076.

I will be working alongside Bryan Thompson and Charlie Petry during the merger so you might possibly get responses from him as well going forward. I have their information listed below for your reference.

Ideally, you should not see any changes in the normal process that you are used to receiving and it should just be business as usual. If you have any questions for us, please let us know. We look forward to serving you and continuing many more years of business.

We appreciate your business!

-David Finney
